GENRE
Drama

A meeting of two women, a reckoning between two worlds.

MERCY is the story of an unexpected friendship between two women from opposite worlds: ANNA, a British journalist posted to Kenya in 1999, and MERCY, who lives in Nairobi's largest slum. As Mercy and Anna form an improbable but genuine bond, their desire for empowerment and emancipation takes them on a journey together against the larger social and political forces holding them back.

From the producers of Academy Award and BAFTA nominee PINA, Academy Award and Golden Globe winner ANATOMY OF A FALL and Academy Award and BAFTA winner THE LAST KING OF SCOTLAND, MERCY is critically acclaimed director Emily Atef's (PLUS QUE JAMAIS, 3 DAYS IN QUIBERON, SOMEDAY WE'LL TELL EACH OTHER EVERYTHING) first English language feature. Set in 1990s Kenya, MERCY is a large canvas film that combines global social and political stakes with emotional tenderness, intimacy and humour – as well as an inspiring portrait of the struggle to overcome racial prejudice. With two dynamic women from different worlds on a life changing journey at its heart, this is a story of a rich and transformative friendship. From a director at the height of her powers, MERCY is a film about sisterhood, solidarity and the connection that shines an overdue light on the pivotal role of women in grassroots activism and political change.

Director Emily Atef has proven she can generate a strong and deep emotion in audiences with the painful precision she draws from the female characters in her work. With her feature films SOMEDAY WE'LL TELL EACH OTHER EVERYTHING (Berlinale Competition 2023) and MORE THAN EVER (Un Certain Regard, Cannes 2022), she has established herself internationally as one of the most exciting contemporary directors. Further proof of that is her work on the Emmy-winning BBC series KILLING EVE (2022).

Along the way, they meet Atshumao, a stolid man from the Khoen people. The passionate story of the life and love of Lucia, the famous veiled courtesan who broke Casanova's heart ...

"A Beautiful Imperfection" tells the empowering story of Lucia, Giacomo Casanova's only great love, who leaves Italy for Amsterdam after her face has been disfigured by smallpox. Sixteen years later, they meet again when she has reinvented herself as a veiled courtesan now known by the name of Galathée. Without revealing her true identity or showing her face, Lucia and Giacomo become lovers once again. Will Lucia dare to reveal herself and turn her weakness into her strength so that she can be truly free in the eyes of her great love?

Michiel van Erp ("Open Seas", "Stromboli", and the award-winning series "Ramses") directed the English-language romantic drama. He created a modern version with a strong female character, set against the stunning backdrop of Venice. "A Beautiful Imperfection" is based on the historical novel "In Lucia's Eyes" by Arthur Japin, which has been published in over 20 languages and sold more than a million copies worldwide. Jonah Hauer-King ("The Little Mermaid") is cast in the role of Giacomo Casanova and Dar Zuzovsky ("Hostages"), his first and greatest love, as the courtesan Galathée.

A rebellious teenage humpback whale must venture to the deepest sea and summon his mystical song to save the oceans from destruction by an ominous monster.

Teenage humpback whale Vincent is the orphaned son of the last Whale Singer whose mystical song protected the oceans until his tragic death in Vincent's early childhood. When the monstrous Leviathan breaks free from a melting iceberg and threatens to annihilate all marine life with its poisonous ink, Vincent is the only one capable of stopping it – by following his father's footsteps and finding his own song. But doubting his ability, Vincent embarks on a dangerous mission to the deepest sea to bring back his father from the mythical "Star Pool" so that he can defeat the Leviathan. With the help of his devoted suckerfish "manny" WALTER, and DARYA, a rambunctious, deaf orca girl, Vincent must embrace his destiny as the new Whale Singer and save the oceans with his song.

"The Last Whale Singer" is an epic adventure about selfconfidence, the power of collaboration and overcoming grief. Reza Memari is a writer and director, and CEO and co-founder of Telescope Animation. His animated feature "A Stork's Journey" ("Richard The Stork"), which he wrote and co-directed, premiered at the 2017 Berlin International Film Festival and became a worldwide critical and commercial success.
